

MEDICAL RELEASE

In the event of an emergency and the emergency contacts cannot be reached, I give my permission for my child to be taken to (Doctor's Name / Hospital)

I prefer the above named doctor to treat my child, but if he is unavailable, I give my permission for the doctor on call to treat my child as he deems necessary.

SICK POLICY

Dear Parents,

In order to help stop viruses and other sicknesses from becoming school wide, we need you to follow a few guidelines when deciding whether or not to send your child to school if he/she is sick. If your child has a fever of 100 degrees or more, please keep them at home. **Do not give fever reducing medications and send them to school.** If your child has vomited or had diarrhea more than twice during the night, they are to stay at home the next day. We realize that this will not always be convenient for some of you because you need to work, but it is not fair to your child to send them to school sick, nor is it fair to expose other children to the sickness. We, as the responsible adults, need to work together to stop the spread of illnesses and to look out for the welfare of our children. Thank you for your assistance with this matter.

God bless you,

Gail Sammons,
Principal
